Allowable Subject Matter

Claims 1-18 are allowed.

The following is an examiner's statement of reasons for allowance:

Regarding Claims 1, 7 and 11, the primary reason for allowance is the inclusion of the limitation wherein means for characterizing at least a portion of the material signals as a function of the meta data read and means for editing the portion of the material signals.

Regarding Claims 4, 9, and 12, the Examiner interprets the Claims to fall within provisions of 35 USC 112, 6th paragraph. The portions of the Specification supporting the Claim language are on page 26, Line 5, to page 28, Line 3, and Page 52, Lines 1-18, regarding the characterization of material signals as a function of the meta data and its means for editing.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
